

CONTENTS

Foreword	1
Preface	3
1. Anke M., Jaritz M., Seifert M., Müller R. (Jena – Germany) - The biological importance of barium in the food chain of plants, animals and humans	5
2. Mohammad A., Agrawal Vineeta (Aligarh - India) – Thin layer chromatographic identification and separation of heavy metal cations on mixed stationary phases containing mosambi skin powder with cationic micellar systems as mobile phase : determination of Ni ²⁺ from river water, industrial waste water and sludge sample	29
3. Benga Gh. (Cluj-Napoca - Roumania) – The first discovery of the first water channel protein (later called aquaporin 1) in the human red blood cell membrane was performed in 1985 in Cluj-Napoca, Roumania, by the use of a radioactively labeled mercurial sh reagent	43
4. Smetana R., Stühlinger H.G., Kiss Katharina, Glogar D.H. (Vienna - Austria) – Magnesium in acute myocardial infarction – is the answer „Magic“?	53
5. Segal Rodica, Fulea Viorica, Nicolau Anca, Pancu Mihaela (Galati – Roumania) - The influence of germination upon the content of bioavailable minerals in cereals	59
6. Djuji Ivana, Milovac Milica, Jozanov-Stankov Olga (Belgrade - Yugoslavia) - Selenium protect plants from oxidative stress	65
7. Haiduc I. (Cluj-Napoca – Roumania) – Ethical aspects of scientific research in chemistry, biology and medicine	71
8. Dr gan P., Gârban Z. (Timisoara – Roumania) – New data regarding the metallogram of the patients with urolithiasis before and after surgical and ESWL treatment	77
9. Ani ei Alina M d lina, Goian M., B ghin N. (Timi oara-Roumania) – The effect of municipal sludge application on environment	83
10. Balla A., Balla Melinda (Odorheiu Secuiesc - Roumania) – Prolonged QT-Syndrom in children with hypomagnesiemia	87
11. Bavaru A, Chiril Elisabeta, Sava Daciana, Mihalcescu Ana Maria, Serban Virginia (Constanta - Roumania) - Bioaccumulation of some heavy metals in several marine organisms from the Roumanian coastal zone of Black Sea	93

12. **Borozan Suncica, Bojkovski J., Matic Valerija** (Belgrade – Yugoslavia) - Influence of heavy metals on health status weaned piglets..... 101
13. **Butnaru Gallia, Sârbovan Alina, Mihacea Sorina** (Timi oara – Roumania) – Heavy metal involvement in cell division running 107
14. **Contrea M., Goian M., Contrea A.** (Timisoara – Roumania) - Behaviour of metal-porphyrin enzymes: interaction of polyphosphate with spinach hydroperoxidases and chlorophillobin 111
15. **Dalea A., Ionescu Carmen, Marele Daniela** (Oradea - Roumania) – Influence of β and γ radiations emitted by ^{60}Co and ^{89}Sr on some physiological indices
16. in mice..... 115
17. **Darkó Éva, Stefanovits-Bányai Éva, Barnabás B.** (Budapest – Hungary) - Influence of aluminium on plant growth and mineral composition of Al-susceptible and Al-tolerant wheat genotypes selected from microspores 125
18. **D ncescu M., Boeriu F., Ionescu I.** (Brasov – Roumania) – Magnesium – Essential cation in the intervertebral disk health? Part I. Morphopathological aspects of the herniated lumbar disk..... 131
19. **Deseatnic Alexandra, Tiurin Jana, Rudic V., Turta C., Ceapurin Ludmila, Labliuc Svetlana, Pasha Lilia, Clapco Sela, Sirbu Tamara** (Chisinau - Moldavia) - Zinc (II) and copper (II) coordination compounds containing α –aminoacids as stimulators of microbial enzyme activity 139
20. **Djuji Ivana, Proti Snežana, Krivokapi Z., Jozanov-Stankov Olga** (Belgrade – Yugoslavia) - Changes in blood microelement content induced by surgical intervention on the human colon 143
21. **Dr gan Simona, Manca Silvia, Câmpeanu A., Cristea Cristina, Dr gulescu .I.** (Timisoara – Roumania) – Magnesium orotate lowers the severity of ventricular arrhythmias occuring after cardiosurgery 149
22. **Gabru R., Bodescu Adina Maria, Avacovici Adina** (Arad - Roumania) – Cystine complexes of nickel and manganese ions 155
23. **Gabru R., Bodescu Adina Maria** (Arad - Roumania) – The chemical reduction of dinitrogen the influence of some transitional metals in low-oxidation states..... 159
24. **Garban Gabriela, Vlad Rodica, Balint M., Aumüller Corina, Mart u Ariana-Bianca** (Timisoara – Roumania) – Serum calcium and magnesium level in a healthy teenager population from the rural area of Banat region 165
25. **Garban Z., Avacovici Adina, Sarafolean S.** (Timisoara – Roumania) – Research concerning the interaction of deoxyribonucleic acid with magnesium and zinc ions.... 169

26. **Gergen I., Bordean Despina-Maria, Ursulescu M., Gogoia I.** (Timisoara - Roumania) – Lithium determination in natural water by flame photometry emission and ion sensitive potentiometric method 175
27. **Halasi T., Hadnadjev Mila, Sokolova-Djokic Liljana** (Novi Sad – Yugoslavia) - The consequences of content of iron and manganese in drinking water in Sombor and its surrounding..... 179
28. **Hegedus A., Hauptmann G., Tóth Erika, Vajda Krisztina, Erdei Sára** (Budapest – Hungary) Physiological differences between an aluminium sensitive and an aluminium tolerant wheat genotype..... 185
29. **Holban Nina, Ditoiu V., Holban I., Garban Gabriela** (Suceava - Roumania)- Experimental research regarding the settlement of the transformations undergone by the sulphur and heavy metals residual compounds in the areas of Mestecanis and Calimani 191
30. **Ianos G** (Timisoara – Roumania) – Conditions of geogenous occurrence of heavy metals in the rocks and soils in South-Western Roumania..... 199
31. **Ionescu I., Popescu M., Dancescu M., Boieriu F.** (Brasov – Roumania) – Magnesium, lipids, fatty acids in plasma of patients with non insulin dependent Diabetes mellitus 207
32. **Iordache V.** (Bucuresti – Roumania) - Preliminary assessment of the pollution risk associated with the restoration of the Danube floodplain 211
33. **Jozanov-Stankov Olga, Demajo M, Djuric Ivana** (Belgrade - Yugoslavia) - Changes in microelement content and oxidative stress parameters in blood of rats treated with 5-fluorouracil and selenium..... 219
34. **Lacatusu R., Kovacsovic Beatrice, Bretan A., Lungu Mihaela** (Bucuresti – Roumania) – Heavy metals in the soils after the ecological accident in the Baia Mare area..... 227
35. **Muraru C., Muraru O. F., Gogoia I.** (Sibiu, Roumania) - Separation and identification of some toxic cations from polluted soil..... 235
36. **Mracec Maria, Tudose Ramona, Mracec M.** (Timisoara – Roumania) – Molecular modelling of Homodinuclear complexes of Co (II) and Cu (II) with BAMP and BTA 239
37. **Neagoe Aurora, Iordache V.** (Bucuresti – Roumania) - Preliminary assessment of the macrophytes role in the export of metals from Fundacul Mare Island, Danube floodplain 245
38. **Nechifor M.** (Iasi - Roumania) - Normal and pathologic manganese implication.. 251

39. **Nichita Georgeta, Cumpănășiu C., Chetrinescu N., Periat Deleana, Brânzeu Daniela** (Timisoara – Roumania) - The pollution with heavy metals of main animal products in western area of Roumania257
40. **Niculescu M., Vaszilcsin N., Budrugeac P.** (Timisoara – Roumania) – Structural studies about copper (II) – polynuclear coordination compounds with the oxidation products of 1,3-propanediol as ligands. I. Coordination compound with 3-hydroxypropionate263
41. **Paal T., Mathe J.** (Târgu Mures – Roumania) - Modelling of the interaction between copper(II)-complexes and reductive substances leading to form copper-dioxygen adducts271
42. **Papadopol Victoria, Dăncănu Doina, Florescu Nicoleta, Adam Cristina, Palamaru Iliana, Damian Otilia** (Iasi – Roumania) - Maternal zinc status and newborn parameters279
43. **Papadopol Victoria, Dăncănu Doina, Florescu Nicoleta, Adam Cristina, Palamaru Iliana, Damian Otilia** (Iasi – Roumania) - Iron, zinc and copper levels in serum of pregnant women and in breast milk287
44. **Papp A., Pecze L.** (Szeged – Hungary) - Effect of environmental heavy metals on the central and peripheral nervous system activity of rats in acute experimental exposure291
45. **Rapavi Erika, Szentmihályi Klára, Kocsis Ibolya, Stefanovits-Bányai Éva, Blázovics Anna** (Budapest – Hungary) - The effect of hesperidin and diosmin on ion concentration and antioxidant defense system in fatty liver in rats297
46. **Stefanovits-Bányai Éva, Takács-Hájos Mária, Bertényi-Divinyi Zsuzsanna, Holly L., Kiss A.S.** (Budapest – Hungary) - Trace element analysis of safflower seeds (*Carthamus Tinctorius L.*) collected from different growing sites303
47. **Itean V., Cheverry C., Garban Gabriela** (Timisoara – Roumania) – Metal content of the drinking water in Ciocova – Timiș county.....309
48. **Voroniuc Otilia, Teodorescu Cornelia, Ghinea Mihaela, Gavrilă Viorica** (Iasi - Roumania) - The mineral content of commercially available bottled waters and implications for health.....313

ABSTRACTS

1. **Ardelean A.** (Arad - Roumania) - The effect of metal pollutants on Algae323
2. **Cerempei Ludmila, Colibaba Elena** (Chisinau – Moldavia) - Particularities of Cu metabolism in chronic gastroduodenal pathology in children324

3. **Chi u Iuliana, Olariu Lucia, Tulcan Camelia** (Timisoara – Roumania) - The action of some natural extracts on sideremia, haemoglobinemia and catalase activity in rats, in experimental oxidative stress status 325
4. **Dogaru C., Moldovan I., David Dana, Rusu V.** (Timisoara – Roumania) – Hypermagnesemia, bordeline hypertension and hyperlipidaemia 326
5. **Emnova Ecaterina, Lisnic S., Toma S.** (Chisinau – Moldavia) - Effects of different experimental copper loads on soya bean rhizosphere bacterial
6. community 327
7. **Ghelbet Viorica** (Chisinau – Moldavia) - Some coordination compounds of Mo(VI), Mn(II) and Ni(II) – stimulators on endo- and exopolysaccharides synthesis of red alga *Porphyridium cruentum* CNM-AR-01 328
8. **Melnic D., Svet Inna, Nastas I., Gudumac V.** (Chisinau – Moldavia) - The influence of certain remedies of algal origin with different content of Zn on the mineral metabolism in primary osteoporosis 329
9. **Nagymajtényi L. (Szeged – Hungary)** - Risk of nervous system effects caused by environmental combined heavy metal exposure 330
10. **Nechifor M., Murariu A., Chelarescu D., Matei V., Mandreci I., Danila Gh.** (Iasi - Roumania) - The influence of some bivalent cations on vasodepresor effect of some agonists on imidazoline receptor 331
11. **Negrea P.** (Timisoara – Roumania) – Determination of Cadmium, Lead, Chromium and Manganese samples including hair using direct electrothermal atomic absorption spectroscopy 332
12. **Negreanu-Pîrjol Ticu a, Stoica Elena, Gorun Elena, Badea Victoria, Sîrbu Rodica, Guran Cornelia** (Constanta – Roumania) - The biological effect of some new La(III) AND Cu(II) complexes with biguanide derivatives 333
13. **Negreanu-Pîrjol Ticu a, erban Verginica, P lici Cristina, Dumitru Florina, Guran Cornelia** (Constanta – Roumania) - Toxicity studies of some lanthanides complexes with α -ketoglutaric acid on marine amphipods (crustacea) 334
14. **Olariu Lucia, Chi u Iuliana, Stana Leti ia, Tulcan Camelia, Petcu Mihaela** (Timisoara – Roumania) - The study of an allium sativum extract administration on some blood parameters in rats 335
15. **P lici Cristina, erban Verginica, Negreanu-Pîrjol Ticu a, Dinc Antoaneta, Mustata Gh.** (Constanta – Roumania) - Amphipods as bioindicators of trace metals in the coastal waters of the Black sea 336

16. Pup Mihaela, Ahmadi-Vincu Mirela (Timisoara – Roumania) – Synergistic and antagonistic aspects regarding metals in the human organism.....	337
17. Rastimeshina Inna, Boortseva Svetlana, Rudic V., Gulea A., Tofilat Silvia (Chisinau – Moldavia) - Productivity and lipids synthesis of actinomycetes in the presence of cobalt coordination compounds	338
18. Rudic V., Chiriac Tatiana, Bulimaga Valentina, Ciapurina Ludmila (Chisinau – Moldavia) - The influence of some coordination compounds of Zn (II) on productivity and biochemical composition <i>Spirulina Platensis</i> (Nordst.) <i>Geitl.Calu 835</i>	339
19. Ryvnyak Elena, Gudumac V., Gulea A., Ryvnyak V. (Chisinau – Moldavia) - Effect of zinc administration on the antioxidante state in liver during recovery from experimental hepatic fibrosis.....	340
20. Stefirta Anastasia, Turta C., Bulhac I., Branza Lilia, Aluchi N., Zubarev Vera (Chisinau - Moldavia) - The Influence of α_3 -oxo iron containing trinuclear carboxylates and potasium galate on productivity and resistance of plant.....	341
21. Stratulat Silvia, Lîsai Leonid, Bobkova Svetlana (Chisinau – Moldavia) - Metabolic alterations in patients with esential high blood pressure in dependence of insulin secretion.....	342
22. erban Verginica, Mihalcescu Ana-Maria, Tiganus Victoria, Chirila Elisabeta (Constanta – Roumania) - Bioaccumulation of the heavy metals : a comparative study at crustaceans and molluscs species from the south Roumanian coastal waters.....	343
23. Topala Lilia, Usatii Agafia, Calcatiniuc Aurelia, Chiritsa Elena, Shova S. (Chisinau - Moldavia) - Effects of Fe(II) metallocomplexes upon yeasts carotinoids biosynthesis	344
24. Usatii Agafia (Chisinau - Moldavia) - Prospects of utilization of some 3-d metallocomplexes during oleogenic yeasts cultivation	345
