

CONTENTS

Foreward	1
Preface.....	3
1. Ionel Haiduc, Ioan Silaghi-Dumitrescu, Zeno Garban, Eva Fischer-Fodor, Radu Silaghi-Dumitrescu (Cluj - Napoca - Roumania) - Metallomics	5
2. Ivana Djujic (Beograd - Serbia) – Effects of foliar selenium application on performances in plants/animals/man.....	15
3. Mihai Nechifor (Iași - Roumania) – Normal and pathological involvement of bivalent cations in oro-maxilo-facial area	27
4. Etelka Farkas, Edit Csapó, Péter Buglyó (Debrecen – Hungary) - Potentially metalloenzyme inhibitor hydroxamic acids: effects of an imidazole donor on the metal binding capability	35
5. Radu Lăcătușu, Virgil Iordache (București - Roumania) - Integrated modeling of geochemical and biogeochemical processes across space-time scale	41
6. Maria Takács-Hajos, Rudolf Kastori, Mira Pucarevic, Tijana Zeremski Skoric (Szarvas - Hungary) - Mineral element content of leaves of table beet varieties and their role in nutrition	55
7. Adina-Elena Avacovici, Zeno Garban (Timișoara - Roumania) - Characteristics of the metallogram in cystine urolithiasis – investigation means	61
8. Andras Papp, Leila Sárközi (Szeged - Hungary) - Consequences of subacute intratracheal exposure of rats to cadmium oxide nanoparticles: behavioral, electrophysiological and toxicological effects ..	67
9. Aurora Neagoe, Virgil Iordache, Florin Bodescu (București - Roumania) - Bioaccumulation of metals in food chain of wetlands	73
10. Tibor Halasi, Dusan Lalosevic, Milka Culic, Slobodan Sekulic, Ivan Capo, Gordana Grbic (Novi Sad - Serbia) - Aluminium neurotoxicity	81
11. Mihaela Simescu, Bruno De Benoist, Mariana Sava, Claudia Podia-Igna, Francois Delange (București – Romania) - Correction of iodine deficiency by an iodized vegetable oil – floriol iodine product (partial results)	87
12. Tatjana Lalic, Ivana Djujic (Beograd - Serbia) - Mineral imbalance - reflection on blood vessels	95

13. Radostina Alexandrova, Konstanta Timcheva, Reni Kalfin, Elena-Maria Mosoarca, Ramona Tudose, Otilia Costisor, Daniela C. Culita, Gabriela Marinescu, Luminita Patron, Maria-Lallia Kantouri (Sofia –Bulgaria) - Few words about metal compounds in cancer treatment.....	105
14. Ioan Borcean, Gheorghe David, Simona Niță, Adrian Borcean, Narcis Băghină, Lucian Niță (Timișoara - Roumania) - A study on the possible prevention of environmental pollution with mining wastes from copper mines through agricultural valorisation	113
15. Aurel Contrea (Timișoara - Roumania) - Study of the complexes formed between some metal ions with the condensed phosphates by means of gel-chromatography.....	117
16. Adina Creanga, Nathalie Henin, Mihaela Simescu, Bruno de Benoist (București - Roumania) - Refined sunflower oil : an excellent vehicle for iodine fortification.....	123
17. Corneliu-Mircea Davidescu, Adriana Popa, Petru Negrea, Geza Bandur, Gheorghe Iliă, Radu Ardelean (Timișoara - Roumania) - Phosphonate ligands grafted on styrene-divinylbenzene copolymers used in metal ions separation from water	127
18. Simona Drăgan, Carmen Socaciu, Iosif Gergen, Lavanya Yogi, Cristina A. Dehelean (Timișoara - Roumania) - Development of functional foods from soy extracts enriched with magnesium in breast cancer	133
19. Eva Fischer-Fodor, Natalia Miclasova, Piroska Virag, Corina Tatomir, Ioana Brie, Maria Perde, Valentin Cernea, Luminița Silaghi-Dumitrescu (Cluj-Napoca - Roumania) – Biologic evaluation of platinum and palladium complexes	141
20. Gabriela Garban (Timișoara - Roumania) – Food supplements with chromium and selenium content on the Roumanian market	147
21. Zeno Garban (Timișoara - Roumania) – Adducts of deoxyribonucleic acid with metals ad limina of interdisciplinarity metallomics and proteomics.....	153
22. George-Daniel Ghibu, Gabriela Garban, Cornel Baltă, Marian Bura, Cristina Petruse, Doina-Elena Horhoi, Zeno Garban (Timișoara - Roumania) - Hepatic metallograms in rabbits after sodium nitrate excess in drinking water.....	163
23. Monica Hărmănescu, Daniel Popovici, Alexandru Moisuc, Iosif Gergen (Timișoara - Roumania) - Sodium, potasium, calcium and magnesium contents – are indicators for geographycal origin of bee's honey from Banat county?	169

24. Nicoleta G. Hădărugă, Daniel I. Hădărugă, Adina Negrea, Mihaela E. Ciopec, Petru Negrea (Timișoara – Roumania) - Minor and trace elements in parsley (<i>Petroselinum sativum</i> hoffm.) from the west side of Roumania.....	173
25. Gheorghe Ianoș (Timișoara - Roumania) - Conclusions concerning the source and the environment concentration with heavy metals on the etno-historical Banat	181
26. Noémi Koczka, Dóra Pétersz, Éva Stefanovits-Bányai (Gödöllő – Hungary) - Metal ion composition of stinging nettle (<i>Urtica dioica</i> L.) leaves in view of the nutritive value	189
27. Aurel Lăzureanu, Diana Moigrădean, Constantin Măruțoiu, Ioan Gogoasă, Iosif Gergen (Timișoara - Roumania) - Study regarding the heavy metals contents in some vegetables cultivated in the field in romanian West area	195
28. Ádám Nagy, Éva Stefanovits-Bányai, András Neményi, Attila Hegedűs (Budapest - Hungary) - Microelement content in fruits of fig genotypes grown in hungary and in commercially available dried figs	199
29. Victoria Papadopol, Elena Popa, Gabriela Albu, Cristina Cîmpeanu, Nicoleta Florescu, Iliana Palamaru (Iași – Roumania) - Body zinc level, eating habits and some nutritional parameters in an elderly group..	205
30. Katalin Slezák, Sandor Kiss, Uzuni Hanna Némethy, Ferenc Orosz, Éva Stefanovits-Bányai (Budapest - Hungary) - Effect of foliar magnesium fertilization on leaf and fruit mineral compositions of greenhouse grown cucumbers	211
31. Alexandru T. Bogdan, Stelian Acatincăi, Adina-Elena Avacovici, Zeno Garban (Timișoara - Roumania) - Biodiversity and xenobiotics related to foods of animal origin	217
32. Blanka Szilvássy, Nóra Papp, Zoltán Szabó, József Nyéki, Enikő Tordai, Andrzej Pedryc, Éva Stefanovits-Bányai, Attila Hegedűs (Budapest - Hungary) - Nutrient element of stone fruit species and cultivars.....	225
33. Andreea-Cristina Staicu, Carmen Postolache, Maria-Cristina Munteanu, Marieta Costache, Anca Dinischiotu (București - Roumania) - Intestine and liver histopathological changes induced in fed and starvated goldfish (<i>Carassius auratus auratus</i> , <i>Cyprinidae</i> , <i>Pisces</i>) during chronic exposure to manganese	231
34. Szabolcs Takács, Sarolta Bankó, András Papp (Szeged - Hungary) - Acute electrophysiological effects of a metal and a non-metal mitochondrial toxin	239

35. Lidia Taubert, Hortensia Rădulescu, Ecaterina Princz, Eva Stefanovits-Banyai, Sandor A. Kiss (Timișoara - Roumania) – Impact of some mineral elements from industrial waste on wheat plants	243
36. Daniela Teodorescu, Maria-Cristina Munteanu, Andreea-Cristina Staicu, Elena-Lotus Meșter, Anca Dinischiotu (București - Roumania) – LDH activity and histological changes in copper intoxication of <i>Carassius auratus gibelio</i> liver after short and long time exposure	249
37. Lidia Varvari, Sorin Aurel Dorneanu, Cătălin Ionel Popescu (Cluj Napoca – Roumania) - K ⁺ -selective electrode based on a calix[6]arenic compound	255
38. Ariana-Bianca Velciov, Petru-Robert Velciov, Gabriela Garban, Adina-Elena Avacovici, Mirela Ahmadi, Ludovic Sayti (Timisoara – Roumania) - In vivo effects of cis-platinum on magnesium levels in blood, muscles and heart samples.....	259
39. Otilia Voroniuc, Manuela Gheorgheș, Nicoleta Florescu, Anca Cristea, Iulia Casaux-Voroniuc (Iași - Roumania) - Magnesium in drinking water of some public systems and wells in Iași district and the daily magnesium requirement	265
40. Radu Silaghi-Dumitrescu, Florina Deac (Cluj-Napoca - Roumania) - The redox reactivity of globins: the chicken and egg paradox.....	271
41. Ana-Maria Crețu, Mariana Aschie, Gabriela Preda, Natalia Roșoiu (București - Roumania) - The significance of cytomorphometry in peritoneal effusions cytology practice	277
42. Mila Hadnadjev, Darka Hadnadjev (Novi Sad - Serbia) - Ambrosia mowing in Novi Sad and the number of children with allergic diseases registered in primary care	285
Authors index.....	289
Retrospectives.....	291
In memoriam Prof. Petru Drăgan MD, PhD (1932-2007)	297
